

I am writing out of a sense of injustice that Sinclair Broadcasting is forcing its affiliate stations to air the anti-Kerry film "Stolen Honor" in the final days before the upcoming elections. Clearly this is a partisan manipulation of the public airwaves. I realize that Sinclair is now talking about airing something else, perhaps an abridgment of "Stolen Honor" but if airing the hour long program is wrong, so is airing a shorter program. The length of the program is not the issue. The content is.

I am urging you to stand up against Sinclair. Sinclair is not acting in the public interest; it is acting for the private interest of the president administration, and for itself in the future, as it would benefit this reactionary corporation to have four more years of Bush in the White House.

This is a violation of campaign finance law as a free commercial, for as much as they try to say this is a news program, that is not true.

Please take a stand against Sinclair Broadcasti
